Joseph Sloss, Varsity Club Advisor; Alex Baker, Varsity Club President

Dear Potential Sponsor:

On April 12th, 2008, Ryan "Whitey" Weitzel lost his battle to cancer. Whitey was a senior at Lampeter-Strasburg High School and an inspiration to all who knew him. Diagnosed with cancer at age 14, with a prognosis of six months to live, he refused to give up. For the next five years, Whitey pushed through every day with his motto "Live for Today." Whitey's life and this motto continue to inspire a multitude of people here at Lampeter-Strasburg.

In honor of Whitey, his classmates organized "Ryan's Race." The inaugural run took place in 2008, shortly after Ryan's death. This year the L-S Varsity Club will organize the 13<sup>th</sup> Annual "Ryan's Race." The money generated from donations and entry fees will provide scholarships to two graduating seniors from Lampeter-Strasburg. In addition to the scholarships money will also be given to members of the school battling cancer or to cancer charities. Emphasis will be on having fun while remembering and honoring Ryan's life and supporting others as they face their battle with cancer. The race will take place on **Saturday, May 16, 2020 at 9am** on the L-S campus. Visit our webpage at [www.ryansrace.org](http://www.ryansrace.org) for race, sponsor information, and how to register.

The sponsorship and donations from area businesses are vital to our success and greatly contribute to our ability to award the scholarships each year. All business donors contributing will have their name placed on the back of the t-shirt. We'd love to have you sponsor our race. All sponsors who contribute over \$100 will get their names on the back of the race shirt.

If you would like to be a sponsor this year, please mail a check to the following:
